Arīza: Letter to the Imām of our Time (aj)
Translation of Du‘ā of Arīza

I have written to you O my master; may His mercy and blessing be upon you, seeking a favor from you. I have complained to you for what has happened to me seeking solutions firstly from Allah and then from you for a matter that has obsessed me. I am helpless in combating the problems and for that I have resorted to seeking help from Allah and from you. Knowing the status you have with Allah, I am confident that you will help me get the solutions to my problems swiftly and that you will intercede on my behalf. I am helpless and moreover I am sinful, so help O master and present this to Allah and I pray to Him that He will solve this quickly and grant me victory and success in finding the solution to my problems.

(Write your personal wishes and problems here)

.....I don't have the strength to carry or bear, nor do I have any patience in this regard. If I deserve it with all the sins I have committed and all the ignorance I have shown in carrying out my responsibilities then help me O' my master; 'peace be upon you', during this time of trouble and sorrow. I present my prayers to Allah before I compensate and before my enemies engulf me. For you have shown me your blessings so I pray to Allah for a great salvation and a near victory with calmness from all fears. Allah is most high and does what He wants. Allah is sufficient for me from the beginning in my hopes. Whatever Allah wishes He does; there is neither strength nor any power except Allah's, the High, the Great.

***When dropping the Ariza in the sea, recite the following supplication
addressing Husayn bin Rawh, the 3rd Na'ib of the 12th Imam:**
"O' Husayn bin Rawh, Salamun Alaykum! I bear witness that you died in the path of Allah and (hence) you are alive and are sustained by Allah. I am addressing to you in your life which you lead with Allah. This is my note and wishes to the master of the Era, the 12th Imam (AS), so please hand it over to him for you are indeed trustworthy".
