

Dear Imam Mahdi (AJF)

I have written to you O my Master, may His mercy and blessings be on you. I want to ask a favour from you. I have complained to you for what has happened to me, asking for solutions firstly from Allah and then from you for a matter that has troubled me. I am helpless in solving the problems and for that I have come asking for help from Allah and from you, knowing how close you are to Allah. I know that you will help me get the solutions to my problems quickly and that you will pray on my behalf to Allah. I am helpless and I am sinful; so help me O my Master and tell Allah about this problem and I pray to Him that He will solve this quickly and give me victory and success in finding the solutions to my problems.

In this hajjat I have no strength in bearing my problems and no more patience, while you are able to solve it. Even though the situation is because of my own ugly acts and being ignorant of my wajibats that are given by Allah. So help me, O my Master, peace be upon you during this time of problems and sorrow, and tell Allah my hajjats, before the starting of the troubles, and the mocking of the baddies. You can spread blessings on me. And I ask Allah for a big victory, and to become successful in reaching my hopes, getting good akhlaq, completing my wajibats and keeping me safe from things I fear. Surely Allah does what He pleases, He is enough for me - the best of those upon whom trust can be placed in the beginning and at the end.

Thank you Imam Mahdi (AJF)
